2019

31 JAN 1 FEB 2 FEB

ABOUT DELHI TECHNOLOGICAL UNIVERSITY

A pioneer in technical education and research, Delhi Technological University (formerly Delhi College of Engineering) is a hub of vibrant cultural activities and producing world class engineers. It has marched from strength to strength throughout its illustrious history spanning 75 glorious years. The institution is spread across a sprawling 164 acre campus adjoining Rohini, Delhi, and boasts of world class infrastructure and state-of-the-art technology.

Home to over 8300 students, the college campus is, truly a melting pot of cultures from across the length-a-nil breadth of India and has also become a coveted destination for students from abroad..

ABOUT ENTREPRENEURSHIP CELL, DTU

The Entrepreneurship Cell, DTU is an organization of students with entrepreneurial endeavors who aim to foster the spirit of entrepreneurship among the community of students.

We strive persistently, to ignite the latent entrepreneurial spirit amongst the youth of the country and steer them towards becoming the nation builders. We envision a society of self-motivated individuals kernelled with constructive and intensive entrepreneurial drive with an inbuilt urge to innovate, take risks, shoulder social responsibility and indulge in creative execution of vibrant business concepts. We believe that entrepreneurship is the key that can unlock India's talent and untapped potential. It will not only push India to the forefront of the world but also help ameliorate the quality of life in the country.

E-Summit 2019

31 Jan – 1 Feb – 2 Feb

The E-Summit is the annual showcase event organized by the E-cell of DTU. The summit is a confluence of visionary students, path-leading professionals and trend-setters, who aim to start or fund businesses and change the world. The event acts as a platform

for convergence of the country's youth to exchange ingenious and enterprising ideas, which forms the basic the crux of entrepreneurship.

The summit, since its inception in the year 2008 has grown by leaps and bounds both logistically and in terms of its relevance attracting and engaging thousands from across the nation in workshops, informative and interactive speaker sessions, innovative games, competitions for aspiring entrepreneurs along with facilitating a network to acquire funding to help their ventures grow.

Day-1 (31ST Jan)

Leadership Lecture Series (LLS) :

The event wherein speakers, Entrepreneurs, Leaders and all those who made an impact with glorious achievements in

their spectrum of work, would be present and share their story of their immense hard work and the problems they faced.

Leaders and speakers would be selected from a number of fields including Entrepreneurship, Entertainment, Politics, Economy and many more.

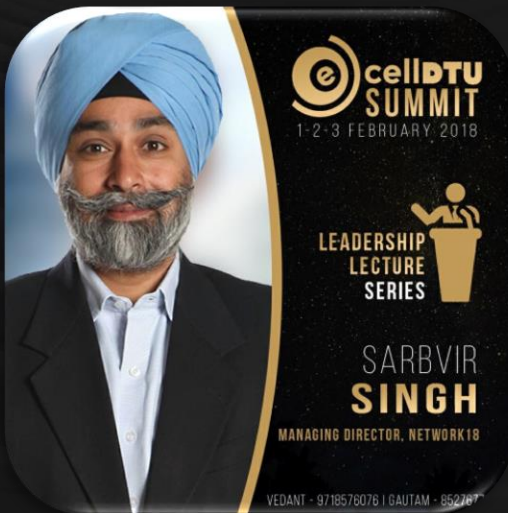

Last year's speaker line-up :

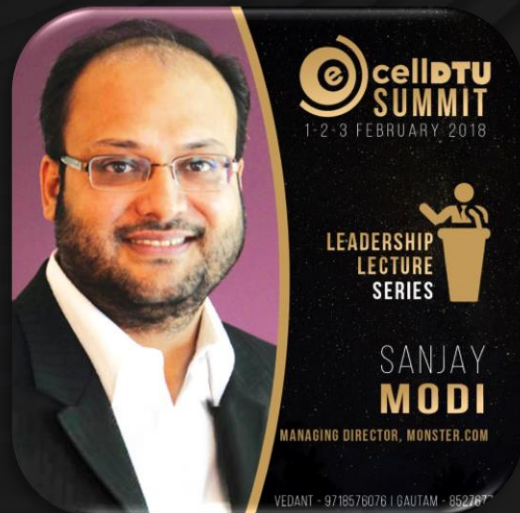

Mr. Didier Rappaport is the founder and CEO of Happn

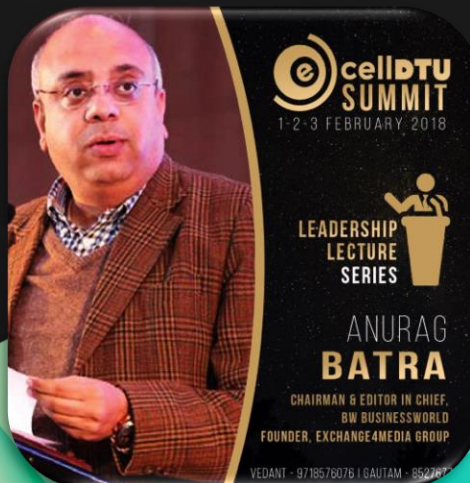

Amit Bhadana
India's leading content creator on Youtube

Sarbvir Singh
Managing Director,
Capital18.

Sanjay Modi
Managing Director,
Monster.com

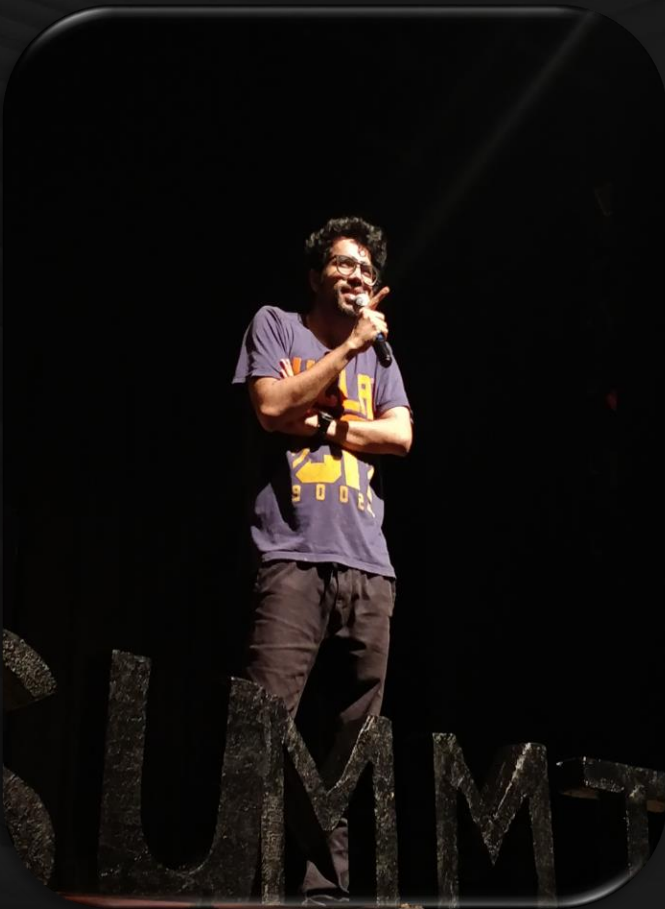

Anurag Batra
Chairman of Industry Committee setup by
the Government.

Day 1: 31ST Jan

COMEDY EVENING

After the inspirational session of Leadership Lecture Series, to conclude the day 1 of E-Summit on a lighter note, a Comedy Evening is held right after LLS. For E-Summit, we had a top comedian of India, Abhishek Upmanyu to exhilarate the audience with his wit and humor.

Abhishek Upmanyu

Day 2: 1ST FEB

Masterclass

A revolutionary way of student- HR interaction which helps both understand each other. The program takes into a form of helping ground and benchmark testing for the 3rd day.

Students are given expert advice from HRs of giant corporates, information about resume building, a platform for group discussion and mock interviews are held to further brush their mindset.

Business Plan Competition

The ideal showcase event that provides an avenue to the startup enthusiasts to exhibit their business acumen, creativity and innovation. One of the flagship events of E-Cell DTU, it aims to promote the spirit of Entrepreneurship.

Small scale startups looking for incubation and funding are given a chance to present their pitch to a panel of esteemed judges and receive help in incubation and branding.

Day 3 : 2nd Feb

Startup Internship Fair

Startup Internship Fair is an annual internship caricature organised by E-Cell. Startups get a chance to interact and hire students through speed interviews.

40+ Startups

2K+ Footfall

Startup-Showcase

Amongst all the entrepreneurial cacophony, E-Cell DTU brings to you the 2nd edition of the Startup Showcase, a platform which provides the much-awaited opportunity to present your ingenious and innovative startup.

It provides a platform for startups to market their innovative product/service for 3 days to a footfall 20K students and also hire skilled students on the last day.
